Dear Bishrel Ariunbold (1982869),

Thanks again for your interest in **Eindhoven** University of Technology! As promised, we are sending you the link to the TU/e application form, so you can complete your application to one of our Bachelor's degree programs. Below, you will find a brief explanation of how to fill out the form. Having trouble? Feel free to get in touch. Would you like to get to know your future hometown a little better? Watch [this video](#) and check out the [Brainport Eindhoven](#) and [This is Eindhoven](#) website!

How to fill out the TU/e application form

Go to [application form](#)

2. Sign in with the credentials provided below and change your password immediately

Web site: [application form](#)

Username: BAriunbold321

Password: HR518

[General](#) / [Important information regarding your application](#) / [Previous education](#) / [English proficiency](#) / [Uploads section 1](#) / [Uploads section 2](#) / [Submit application](#)

Important information regarding your application

Step 2 of 7

When filling out the application form, please notice the following information:

- The deadline for submitting your application is 15 January for [selection programs](#) and 1 May for non-selection programs. However, you are strongly advised to submit your complete application as early as possible. Applications submitted after the deadline will not be accepted and processed.
- Your application will not be handled as long as you have not transferred the application fee. Make sure you upload proof of transfer of the application fee in this application form.

If you submit multiple applications, you need to transfer an [application fee](#) of € 100 for each application.

Applicants from Russia, Syria, Cuba, North-Korea, Sudan or Iran should not transfer the application fee and are asked to follow the instructions explained in the section “Uploads section 2”.

- You will receive this second part of your application for a maximum of two programs.
